

## LAND MARK GONE

Mrs. Margaret McGilway, widow of the late John McGilway died at a Lexington hospital on Thursday, July 10 after much suffering for a long period of time. Mrs. McGilway was the mother of five children, Margaret, John, William, Robert and Minnie, who died when an infant. Mrs. McGilway was 77 years old and spent much of her life here in Mt. Sterling. In later days, worn from life's burden, feeble in mind and body the good old woman went from here to St. Louis that her last days might be spent with her own dear kin. It was here and during this period that her youngest son, Robert, became sick and died. With this one she had buried all, husband, daughters and sons. From St. Louis she returned to Mt. Sterling and was in the home of Mr. A. E. Lawrence until she was taken to Lexington for special treatment and here it was the body grew feebler and the end came. With this ending the family of John McGilway became extinct, Mrs. McGilway having buried all of her once happy family.

Funeral services were held over the remains Saturday morning at 9:30 o'clock at St. Thomas' Church by Father B. J. DeKalb and the body was consigned to earth in St. Thomas' Cemetery.

Just now our mind reverts to the long past and we see Mrs. McGilway as she really was, a wife loving and patient, a mother striving to bring up her children as ornaments within her circles, a friend to all and especially to those less fortunate in life. This good woman, in the passing, leaves footprints characteristic of her own dear self and as an example for others passing over the way from the cradle to the grave. Kind, generous, faithful, the life of another good woman is ended. Peace to her ashes.

## TIRE STOLEN

## BUSINESS MEN SHOULD ATTEND

Practical Ideas Along Lines of Efficiency to Be Shown to Merchants and Clerks.

Every successful merchant in business at the present time is utilizing every means possible to help him advance and build up a better trade. Realizing this the merchants and business men of Mt. Sterling have secured one of the most instructive, educational moving pictures ever put on the screen, entitled "The Troubles of a Merchant and How to Stop Them." The pictures will be shown at the Masonic Temple in the rooms of the Women's History Club on July 18 at 8 P. M.

The film is a three-reel Essanay feature and is brim full of ideas relating to retail business. It shows on old-style store buildings, high windows preventing a good display of goods, bad arrangement of stock, lack of proper management and no system, which makes the clerks inefficient, resulting in the proprietor almost becoming a failure. The scene changes, however, when the merchant concludes to adopt system, the store takes on an attractive appearance, goods are displayed so they will attract the attention of the customer, the clerks become more valuable through courteous and prompt attention to the trade, in fact, there is such a transformation that new customers are attracted to the store, and the merchant again becomes prosperous.

Mr. R. H. Kennedy will lecture with the pictures. By aid of stereopticon slides he will deal with the following subjects:

1. Retail failures and their causes.
2. Store organization.
3. Newspaper advertising.
4. Window display.
5. Clerks' efficiency.
6. Selling methods.
7. Credit business.
8. System in retail business.

This lecture was secured through the courtesy of The National Cash Register Company, of Dayton, O. It has received the highest commendation from business organizations wherever it has been shown.

There will be no charge for admission and every business man and clerk in the city should take advantage of this unusual offer. The committee is as follows:

R. E. Punch, chairman; S. M. Newmeyer, H. H. Pieper, C. C. Chenault, J. H. Keller, C. K. Oldham, A. B. Oldham, Chas. Barnard, J. J. Walsh.

All merchants and clerks in county and surrounding towns are cordially invited to attend. Tickets can be secured from R. E. Punch & Co., or any of the above committees.

## CHILD DIES

Charles Curd, Jr., five-months-old son of Charles Curd, died Monday morning at 10 o'clock at the family residence, near the freight depot. ## DEATH OF MRS. HAINLINE.

Mrs. Mary, wife of S. P. Hainline, passed the great divide on Thursday morning from the home of her son-in-law, Mr. P. R. Cockrell. Mrs. Hainline was before marriage Miss Mary Leonard and was 82 years old. She is survived by five children, J. L. Hainline, Macon, Ga.; Charles Hainline, this city; Mrs. Ida Pointer and Mrs. Walter Lancaster, Winchester, and Mrs. P. R. Cockrell, this city.

Funeral service was held at the home of Mr. P. R. Cockrell Saturday afternoon at 2:30 o'clock and on account of the sickness of Pastor Rev. M. V. P. Yeaman, of the Presbyterian Church, of which Mrs. Hainline had been a member for many years the service was conducted by Rev. J. J. Murphy, of the Winchester Presbyterian Church and the remains were returned to earth in Macpelah Cemetery. Mrs. Hainline was a most excellent woman—she realized the full meaning of the marriage vow and to her husband was the true helpmate, as mother she was ever mindful of their children and hers was a life worthy in every phase, an exemplary model. To her friends and neighbors she always had words of cheer and as a Christian her work and conversation were leading evidences of her faith in Him. Though for a long time she by reason of age had been on the decline yet her love, her inspiring thought, tenderly expressed, her example will be greatly missed and the vacant chair will ever bring to mind the helpful character she was.

Sweet rest to this good woman who, on resurrection morn will rise with gladness and joy to meet Him whom she worshipped and loved.

## FUGITIVE CAPTURED.

Tom Smothers, who was being held on a charge of maliciously cutting and wounding Gay Alexander and who later escaped from the jailer here, was captured late yesterday afternoon by Detective Dudley Veal, of Lexington. The negro had taken refuge in the home of a relative about nine miles out of Lexington and was in hiding there when taken by the officer. Detective Veal is remarkably successful in trailing criminals and is making a wonderful record for himself, being recognized as one of the best detectives in the country. Chief Tipton went to Lexington after his man, returning here last night and placing Smothers once more behind the bars.

## GOOD NEWS

The announcement from the committee of the Redpath Chautauqua that they had received pledges sufficient to announce the coming of this annual educational feast July, 1920, was real good news and met with most enthusiastic applause. Our people are assured of a program up-to-date in every particular, each year surpassing that of the previous one. The greatest specialties obtainable will be here in 1920.

The news which has come to the friends of Hon. John R. Catlett, of Princeton, that he had the best of showing for the Democratic nomination for Railroad Commissioner of the First district, has been received with gladness. He would make a fine commissioner and besides there is nothing too good for this loyal Democrat.

## FAIR BEGINS NEXT WEDNESDAY

Everything in Readiness and the "Scenery is All Set" for the Best Fair Ever Held in This City.

The Montgomery County Fair will open its gates to the public on Wednesday, July 23rd, and opening day is known as Political and Derby Day. Every indication is that a tremendous crowd will be in attendance from all over the State. On that day the Montgomery County Derby, at a distance of 1 1/4 miles, will be run, and it is thought that such horses as Bogeart, ElRay, Will Do, Peaceful Star, Mary II, and others will face the barrier.

The Floral Hall program is attracting unusual interest and there is every reason to expect splendid exhibits.

The grounds are rapidly being gotten into shape, and the track is at its best. Quite a number of boxes have been reserved and season tickets are now on sale by the Health and Welfare League. The Association will not ask the Mayor to declare a holiday on the afternoon of the opening day but requests that all public spirited citizens and business men of the city will close their places of business from one until four-thirty in the afternoon of the opening day in order that their employees may attend the Fair. The program for the entire four days is an exceptionally good one and record breaker crowds are expected to be in attendance.

The famous Metropolitan Carnival Company has been engaged to furnish amusement, and the Royal Italian Band of twenty pieces will give musical programs daily. Don't fail to attend the Montgomery County Fair, July 23rd to 26th, inclusive. Come every day and meet your friends and let's all have a good time together—a royal welcome awaits you.
